

In order to make the most beautiful, realistic and durable wigs, donated hair must meet the requirements below.

- Donated hair must be a minimum of 8 inches long (measure hair from just above the elastic band of the ponytail to the ends).
- Wavy/curly hair texture is fine-you may straighten hair to measure.
- Hair should be freshly washed and completely dry, without any styling products.
- Hair may be colored with vegetable dyes, rinses and semi-permanent dyes. It cannot be bleached, permanently colored or chemically treated.
- Hair may not be more than 5% grey.

Stylist has two ways of providing hair:

- Cut in salon and bring all hair to the event at the Hilton Garden Inn, Ft. Collins on **April 11, 2010** from 1:00-5:00.
- Cut the hair at the event. You need to register for the event at www.raisesomehair.com . A list of what to bring will be provided prior to the event.

Instructions for Hair Donation:

- Gather hair at the nape of the neck
- Create a ponytail. Ensure the elastic band is tight around the hair to keep the hair together after cutting. If the hair comes out of the band it will not be usable. A second hair band can be placed around the middle of the ponytail to help keep the hair together after cutting.
- Make sure that the hair is at least 8 inches from the elastic band. It has to be at least 8 inches.
- Cut just above the band such that the band remains on the ponytail after cutting and keeps the hair together. Do not wash or style the ponytail in any way after it has been cut off.
- Place the ponytail, kept intact and completely dry, in plastic zipper-lock bag.
